Re: Public Notice - Public Service Commission of KY
Case No. 97-072

Kentucky CGSA, Inc. has applied to the Public Service Commission of Kentucky for a Certificate of Public Convenience and Necessity to construct and operate a new facility to provide cellular radio telecommunication service. The facility will include a 150' monopole tower with nine (9) antennas for a total height of 160' to be located in the rear of a unoccupied shopping center building at 3459 Buckhorn Drive, Lexington, Fayette County, Kentucky 40515, in an area zoned "B-6P (Planned Shopping Center Zone)". Directions to the site are as follows: From Lexington, take I-75 south to Exit #109 Man O'War; go right (west) and continue approximately 4.5 miles until you reach Buckhorn Drive; take a left and go approximately .3 mile, entrance to shopping center is just past Berry Hill Park; site is at rear of abandoned shopping center building. A map showing the location of the proposed new facility is enclosed. This notice is being sent to you because you own property within a 500' radius of the proposed tower.

The Commission invites your comments regarding the proposed construction. You also have the right to intervene in this matter. Your initial communication to the Commission must be received by the Commission within twenty (20) days of the date of this letter as shown above.

Your comments and request for intervention should be addressed to: Executive Director's Office, Public Service Commission of Kentucky, Post Office Box 615, Frankfort, Kentucky 40602. Please refer to Case No. 97-072 in your correspondence.

Sincerely,

Sam G. McNamara

Ref: Case # 97-072

Dear Sir/ or Madam,

Please accept this letter in response to the proposed building of a communication tower in a neighborhood in Lexington, Ky., where I just recently bought a residence.

If the PSC grants permission for the construction of this facility, it will be "permission in perpetuity".. If such action is taken, then owners of property in the affected area, who may be opposed to this, will be precluded from taking any further action from an administrative standpoint.

We respectfully request that a six-month delay be ordered, to give both sides of this issue an opportunity to consider alternatives that may be acceptable to all concerned.

Very truly yours,

William E. Hellard

Dear Mr. Hellard:

RE: Case No. 97-072, Kentucky CGSA, Inc.

The Commission is in receipt of your letter concerning Kentucky CGSA, Inc.'s ("Kentucky CGSA") application for approval to construct a cell facility in the Lexington area. The Commission will carefully analyze this application before rendering its final decision.

Attached is a copy of an Order, dated March 17, 1997, requiring Kentucky CGSA to respond to your concerns. Your letter is being treated as an official protest and will be placed in the case file of this proceeding. However, if after reviewing Kentucky CGSA's response to the attached Order you wish to actually participate in the proceeding, **you must file a letter requesting full intervention with the Commission within 10 days of receiving Kentucky CGSA's response.** The letter requesting intervention should include the above case number, your name, and address. A copy of the Commission's regulation on intervention is enclosed for your convenience.

The Commission does not always schedule a hearing in a case of this nature. Consequently, if you desire a hearing, that request must be made in the letter requesting intervention.

The Attorney General's Office of Rate Intervention, which represents consumers' interests, may be able to provide you with additional assistance. You may contact them at (502) 573-4994 to inquire whether there will be a representative from that office participating in this case.

Thank you for your interest and concern in this matter.

Sincerely,

I do not agree to have this tower
this close to my house because of the
radiation and having grand children so
close to this antenna. I object totally
to this.

Case No. 97-072

Dear Sir:

This letter is in response to the Public Notice mailed to those property owners near the proposed telecommunications tower near 3459 Buckhorn Drive, Lexington, Kentucky.

I wish to strongly protest the proposed construction of the tower in this neighborhood. I have lived in this neighborhood for over 14 years. Other than the housing in the area, there is only a convenient-type store, a pub, a pizza delivery storefront and a liquor store. There are no other commercial properties and the construction of such a tower would reflect negatively on this area. There is also a neighborhood park with tennis courts and a swimming pool with lots of traffic by not only vehicles but also many young children. Please do NOT allow construction of such a structure!!

Sincerely,
